

PERMISSION REQUEST — AIR QUALITY VII CONFERENCE
October 26–29, 2009 — Arlington, Virginia

Paper Title: _____

Presenting Author: _____

Coauthor(s): _____

The Energy & Environmental Research Center, on behalf of the Air Quality VII Conference, requests permission to publish and distribute your paper (specify above) in all media of expression now known or later developed, including in paper and/or electronic form (CD-ROM), as well as sales of paper and/or electronic reprints.

By signing this release, the Presenting Author confirms that the manuscript is original on the Presenting Author's and any Coauthor's part, except for such excerpts from copyrighted works as may be included with the written permission of the copyright owners. The Presenting Author further warrants that the manuscript contains no libelous, obscene, or unlawful statements and does not infringe upon or violate any copyright, trademark, or other right or the privacy of others. The Presenting Author also warrants that in the case of sole authorship, the Presenting Author is the sole owner of the manuscript and all copyrights therein and has full power and authority to register all copyrights therein and to make this Agreement, and that in the case of multiple authorship, these powers of ownership are shared with all other contributing authors. The Presenting Author acknowledges that the Air Quality Conference is relying on this release in publishing this manuscript.

Considering that the Author(s) retain the copyright to this manuscript, please indicate your agreement to grant the permission requested for the uses specified above by signing below.

U.S. Government Employees, Grant or Contract Authors: By signing this release, you are certifying that this manuscript was prepared as part of your official duties and, as such, is a "work of the United States Government" and is in the public domain and is freely reproducible.

Name: _____ **Title:** _____

Organization: _____ **Phone:** _____

Signature: _____ **Date:** _____

Note: This signed permission form must be received by the contact below prior to the Air Quality VII Conference. If the paper was prepared jointly with other author(s), the Presenting/Signing Author has informed the coauthor(s) of the terms of this permission and is signing on their behalf as their agent and represents that he or she is authorized to do so. In the case of a "work made for hire" (a work prepared by an employee within the scope of his or her employment or commissioned as a work for hire under written agreement), an authorized representative of the presenting author should sign.
