## Quotes

"It was a pleasure to ... attend such a wonderful course. This was very beneficial to my involvement with CCP's."

"The things I learned were definitely worthwhile, and I will be able to put them to use. Your organization did an excellent job putting this together."

"The overall training was excellent. Great information to further research and learn to continue development of the industry."

"Best training course I have ever taken. Well done."

"A lot of material, but if you are involved in Coal Combustion Products, you would be remiss in not attending. I look forward to next year's agenda. Great job!"

"The Introductory Workshop was an excellent intro to this industry."
